

Wearing Glasses

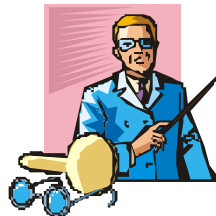

My name is _____ and I am a cool kid!

Sometimes it is hard for me to see the board in class. Sometimes words or objects look fuzzy to me. Sometimes this makes it harder to get my work done correctly.

Sometimes I get a headache or my eyes will hurt because my eyes are trying so hard to see things.

This is why I went to the eye doctor and he gave me glasses.

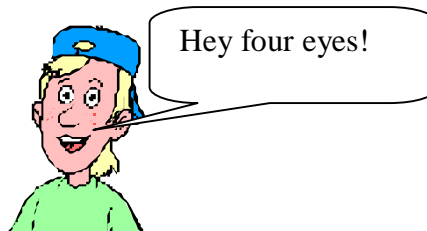

There are a lot of people who wear glasses! Some people I know that wear glasses are: _____ . They wear glasses to help them see better.

Some cartoon characters that wear glasses are Arthur, Velma (from Scooby Doo) and Chicken Little. They wear glasses to help them see better.

I need to wear my glasses to help me see better too.

Sometimes I worry that other kids will tease me. Usually kids won't tease about glasses. So many people wear them!

If someone does try to tease me, I can say, "My glasses help me see better" or "_____ wears glasses too!"

If someone keeps teasing me, then I should talk to the teacher and she will help me.

When I wear my glasses, I can see the board better! Objects and words won't be fuzzy anymore. I will be able to do my schoolwork better!

I won't get as many headaches and my eyes won't hurt anymore!

My teacher and parents will be proud of me if I wear my glasses! This will make me happy too.
